LONDON

TREATMENT MENU

PROFESSIONAL FOOT CLINIC TREATMENTS

All of our foot clinic treatments are carried out by specialist trained and qualified podiatrists from London.

Professional (Medical) Pedicure

Our Medical Pedicure is renowned for creating the perfect foot. It is carried out by our podiatrists, giving your feet a thorough overhaul and addresses all aspects of foot health.

45 mins | 465 AED

Ultimate Luxury Foot Therapy

The Ultimate Luxury Foot Therapy provides the same core treatment as the Professional Medical Pedicure but utilises the full fabulous feet product range. This includes a luxury foot and lower leg lymphatic drainage massage with oxygen therapy - perfect to help relieve stress and rejuvenate the entire body giving exceptional and long lasting treatment results.

70 mins | 785 AED

Intensive Moisturising (Medical) Pedicure

A foot transforming pedicure that addresses all aspects of foot health. The nails are shaped, professionally cleaned, treated and buffed to the highest shine. The skin of the feet are then masked in a treatment balm and exfoliated in a ground tea tree leaf and pumice mousse exfoliator giving the feet a youthful glow.

60 mins | 650 AED

Bunion Prevention Program

A bespoke program of treatments and products designed to alleviate, treat and prevent aching bunions and the deformity from progressing. Our Podiatrist will prescribe a program of treatments, products, exercises and stretches to help you manage the discomfort from bunions in order to prevent surgical intervention.

Packages start from 600 AED

Laser Nail Cleansing Courses

Fungal Nail infections arise due to injury, trauma, dehydration and systemic conditions. The infected nail(s) are often unsightly and may spread to healthy nails. Laser nail cleansing is a safe, effective and pain free method of eradicating fungus. Courses include fortnightly laser applications, your nails will be left clean, healthy and renewed.

Starting from 2500 AED

Lower Laser Therapy

Lower Laser Therapy is perfect for pre and post-operative foot care

and reduces inflammation of bones, joints and soft tissues. This is a non-invasive, safe application of energy that penetrates the skin promoting healing and cell renewal. A reduction in acute or chronic pain is almost guaranteed.

Starting from 370 AED

Verrucae Therapy

Verrucae are viruses on the feet that can be contagious, painful and often spread. Verruca therapy is a non-invasive freezing treatment that is applied directly to the concerned area in order to eradicate the virus.

Starting from 400 AED

Silver Nitrate Treatment

A single caustic application for verrucae and infected skin. One application of Silver Nitrate results in a protective antibacterial and antiviral layer, preventing cross contamination.

Single application: 100 AED

Orthotic Assessment

A full foot and leg assessment carried out by a Podiatrist using the latest evidence based 3D scanning technology, highlighting pressure points and arch height. This assessment determines the requirements for custom-made orthotics to support the feet and aid gait related problems in the back, hips, knees and ankles.

30 mins | 465 AED

Custom-made Bespoke Orthotics (innersoles)

Our orthotics are customly made in London and are a direct result of the orthotic assessment and 3D Scans. The orthotics will match the scan results perfectly, giving your feet the required support.

One pair: 2500 AED Two Pairs: 4500 AED

Fashion Massage

A truly invigorating lower leg and foot massage conducted by a podiatrist. The feet are bathed, exfoliated and a full body massage from a bespoke treatment chair will be activated, Oxygen Therapy is also included.

30 mins | 260 AED

Oxygen Therapy

In a world where we are very limited to inhaling natural oxygen from natural sources, oxygen therapy inhalation offers the perfect solution to maintaining health, wellbeing and equilibrium. Add this service to any treatment.

20 mins | 100 AED

NAIL SPA THERAPIES

We can keep you looking groomed and polished. Expert manicures and pedicures for fabulous hands and feet, for him and for her. Performed by professionally trained Margaret Dabbs London nail technicians to the highest of standards.

Margaret Dabbs Rejuvenating Hand Lift

This treatment has been clinically proven to stimulate and regrow new healthy skin cells from the hypodermis which will tighten and illuminate the skin, visibly minimize the effects of ageing and successfully regenerate lost collagen.
