TREATMENT MENU

FOOT CLINIC TREATMENTS

All our foot clinic treatments are carried out by specialist trained and qualified podiatrists. Offering a full range of treatments focusing on all aspects of foot health. Margaret Dabbs is the authority on feet and the pioneer of the medical pedicure with clinics throughout the UK, Dubai and Qatar with a global reputation for excellence.

Margaret Dabbs London Medical Pedicure

Our world-famous treatment is globally renowned for creating the perfect sole. It is carried out by a qualified podiatrist, giving feet a complete overhaul and addresses all aspects of foot health. The pedicure is performed on a dry foot to ensure exceptionally long lasting results and uses the award winning Margaret Dabbs London product range. A perfect pedicure and diagnostic tool for advanced treatments, popular with both men and women. 45 mins | £85.00 | with Director / Principal Podiatrist | £130.00
Toe Nail Polish to follow | £15.00

Diabetic Medical Pedicure

60 mins | £120.00

Margaret Dabbs London Laser Therapy

Eradicate nail fungus and stubborn plantar warts with the Margaret Dabbs London Laser Nail Fungal Treatment, an exclusively designed laser to treat foot conditions. Prices start from £175.00 - £250.00

Laser Consultation with Fungal Studies

30 mins | £80.00
With Director / Principal Podiatrist | £93.00

Medical Pedicure with Fungal Studies

60 mins | from £120.00
with Director / Principal Podiatrist | £175.00

Lower Laser Therapy

The Lower Laser Therapy is a rapid and pain free treatment performed by one of our qualified podiatrists, with quick and long lasting benefits providing outstanding results due to the intense action of the laser, with excellent relief and recovery from both chronic and acute painful and debilitating conditions right from the first treatment session. Treatment for plantar fasciitis, ligament and joint pain, common foot pain and pre and post-surgery care. Prices start from £60.00

Foot Manipulation & Mobilisation

20 mins | £48.00 | with Director / Principal Podiatrist | £60.00

Biomechanical Assessment

A full foot and leg assessment carried out by the podiatrist using the latest evidence based 3D scanning technology, highlighting pressure points and arch height. This assessment includes muscle, joint and range of movement and motion testing. This process can lead to the production of custom-made orthotics to support the feet and aid gait related problems in the back, hips, knees and ankles.

Biomechanical Assessment 30 mins | £85.00
with Director / Principal Podiatrist | £130.00
Prescription Orthotics from £400.00

Medical Nail Reconstruction

20 mins | £50.00 per nail

Foot Acupuncture

Acupuncture is a method of encouraging the body to promote natural healing and to improve function. Foot acupuncture is a quick, safe and effective way of relieving foot and joint pain, as well as being an alternative holistic treatment for verrucae. 15 mins | £40.00

Foot Acupuncture & Oxygen Therapy

15 mins | £60.00

Oxygen Therapy - *Rejuvenate, Replenish and Calm*

In a world where we are very limited to inhaling pure oxygen from natural sources, oxygen therapy offers the perfect solution to maintaining health, wellbeing and equilibrium. Oxygen is perfect for relieving stress and relaxing for those who find it difficult to switch off and unwind. Enjoy alongside any of our Margaret Dabbs London Manicure and Pedicure treatments. 20 mins | £20.00

ANTI-AGEING HAND TREATMENTS

Face Lift for the Hands

The Laser Rejuvenating Hand Treatment has been clinically proven to stimulate and regrow new healthy skin cells from the hypodermis which will tighten and illuminate the skin, visibly minimise the effects of ageing and successfully regenerate lost collagen. This is recommended for anyone who is concerned about the appearance of ageing hands, loss of skin volume and elasticity, uneven skin tone and wrinkles or thin skin. Patch Test 30 mins | £50.00*
50 mins | £150.00
Course of 6 treatments | £750.00 (saving £150.00)
With Home Care Kit | £850.00

*A patch test will be performed at the time of consultation and is refundable against the total cost of the Laser Hand Course.
