

FOOT CLINIC TREATMENTS

We've combined clinical excellence with an outstanding treatment experience to create a comprehensive range of advanced foot treatments focusing on all aspects of foot health for men and women of all ages. We are the pioneers of cosmetic podiatry with a firm grasp on the end result. Our fully qualified HCPC registered Podiatrists are equipped with state-of-the-art quality equipment and perform treatments in stylish, private treatment rooms.

Medical Pedicure

Performed by a HCPC registered podiatrist, this treatment includes a comprehensive consultation, diagnosis, and treatment - a complete overhaul addressing all aspects of foot health. It is performed on a dry foot ensuring long-lasting results and will leave you feeling like you're walking on air. A perfect foot treatment and diagnostic tool for advanced treatments, popular with both men and women.

Diabetic Medical Pedicure

Maintaining outstanding foot health is an essential part of living with diabetes. Our Diabetic Medical Pedicures are performed by our experienced HCPC registered Podiatrists who are expertly trained in caring for the diabetic foot. The treatment includes the use of specialist podiatry equipment which enables us to diagnose and provide preventative treatment for neurological and circulatory factors / conditions affecting the diabetic lower limb.

55 mins **£100** | with Senior Podiatrist **£115** | with Principal Podiatrist **£145**

Biomechanical Assessment

A full foot and leg assessment carried out by the podiatrist using the latest evidence based scanning technology, highlighting pressure points and arch height. This assessment includes muscle, joint and range of movement and motion testing. This process leads to the production of custom-made orthotics to support the feet and aid gait related problems in the back, hips, knees, and ankles.
